166

Minimum width between connections (mm) :

134

Net weight (kg) : 1.32

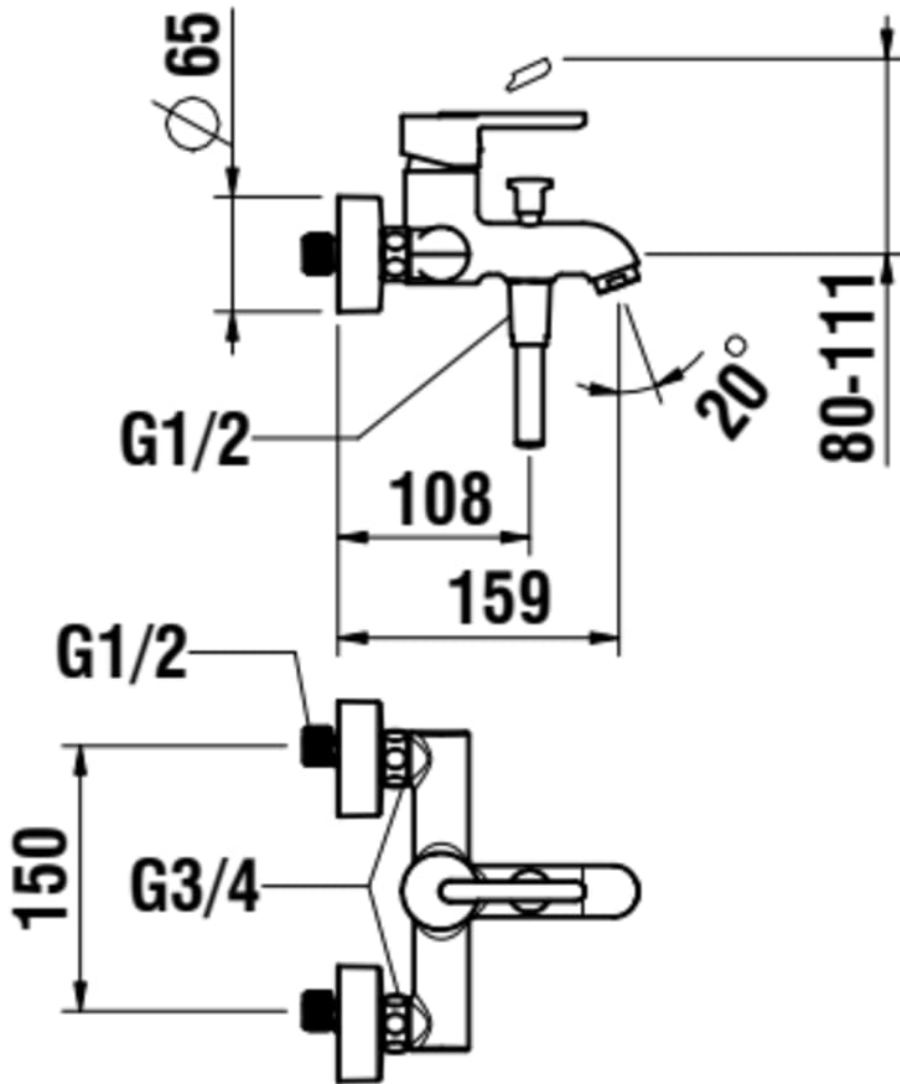

Spout length (mm) : 186

Spout position : Central

Type of cartridge : Ceramic headwork

Water connection diameter : 1/2" - 3/4"

TECHNICAL DRAWINGS

LUA

A design language that has been reduced to the essentials. Clear, geometric lines united in one continuous form. This results in a versatile bathroom programme for private and public architecture alike. With LUA, Toan Nguyen has succeeded in creating yet another stylistic bathroom culture that will be a long-term common denominator. The collection of fittings designed with the same ambition, perfectly shaped bathtubs and the extensive LANI furniture range complete LUA are turned into a true total bathroom solution.
